GREENFIELDS SLIDE MAX ELITE

PERFECT FOR PITCHES WITH HIGH USAGE RATES
THAT REQUIRE EXTREME DURABILITY

Key benefits:

- Ultra-durable due to the high intensity diamond fibres
- Duotone fibres provide a natural look
- High resilience due to high density, fibres and elasticity
- High comfort and safety due to the diamond shaped yarns
- 100% recyclable into RTA

GreenFields Slide Max Elite is the big brother of the Slide Max Pro. The thicker fibres in Slide Max Elite provide even more durability and exceptional split resistance. The fibres are designed in a ribbed diamond shape to provide an advanced, ultra-durable turf with good playing characteristics. This product is extremely resilient providing an extended life for pitches that experience high playing levels. The wider turf fibres offer more coverage in a duotone colour for a natural visual appeal.

This product is available in a wide variety of certified system configurations to suit the local needs of club and players. The right system configuration results in a very durable product with good playing characteristics for years to come. The carpet is at its end of life 100% recyclable into RTA to be re-used for multiple applications.

GreenFields Slide Max Elite is ideal for amateur and semi-professional clubs who require a high quality and extremely durable playing surface. Consistently outperforming on the Lisport test machine for both the FIFA Quality and FIFA Quality Pro standards, Slide Max Elite exceeds in durability.
